THE OWNER

Viessmann Werke GmbH & Co KG

The **Viessmann Group of Companies** is one of the leading international manufacturers of heating systems with 16 plants in Germany, France, Canada, Poland, Hungary, Austria, and China. Established in 1917, the company is managed by the third generation of the **Viessmann** family.

Headquartered in Allendorf (Eder) , about 60 nm, by air, north of Frankfurt, the town features its own commercial airport (EDFQ) with the following details:

Runway: 4,068 x 98 ft. (1240 X 30 m)
Elevation: 1164 ft. (355 m)
Class F airspace
GPS-Supported Approach System

Viessmann maintains it's own a state of the art FBO and houses its 2 corporate Jets , a Falcon 2000 LXS and a Citation XLS+.

Viessmann's experience with business dates back to the early 90's. Since then they have owned and operated a Citation II, Citation Jet, Citation V Ultra, (2x) Citation Excels, a Citation XLS, XLS+ Citation Sovereign and Falcon 2000LXS.
